

AAA Northern California, Nevada & Utah

Senior Mobility

November 13, 2010

Keeping the Keys

How to keep driving as long as safely possible

How aging can impact driving

How we can manage these changes

Why we should plan ahead for continued mobility

Transportation = Independence!

Lost mobility = poor health

Plan ahead for continued mobility

Maintain your quality of life when you retire from driving

Resources

- AAA.com/seniordriver
- CarFit – 12 point review to help you fit in your car and driver safer
